

An unplanned pregnancy is a shock to all concerned, not just the pregnant mother.

Men often feel at a loss about how to help and feel powerless regarding making decisions, as it is the woman's right to choose.

They feel that their feelings are not taken into account. Fathers may feel unsure of how to support their daughters.

If you would appreciate having someone to sit down with and discuss the crisis from your point of view, our counsellors are available to listen and help.

Phone 07896 630 296 and talk to someone who can help.
